Tack för att du köpte denna möbel. Kontrollera att alla delar finns innan du börjar montera stolen - det kan ju finnas lösa delar i kartongen! Kontrollera mot antal i listan (obs att antalen är för 1 stol).
Dra inte alla skruvar fullt innan du monterat samman hela stolen.

Thank you for purchasing this chair. Be sure to check all packing material carefully for small parts, which may have come loose inside the carton during shipment. Count all parts and hardware, compare with the parts list to be sure all parts are present. (note that quantities listed is for one chair)
Do not fully tighten all bolts until the chair is fully set up.
